ORDER OF REINSTATEMENT

This matter was opened to the New Jersey State Board of Dentistry upon the August, 1999 application of Gilbert Glass, D.M.D. ("respondent") seeking reinstatement of his license to practice dentistry in this State.

Respondent's license was suspended by the Board on July 23, 1997 for a period of 5 years, the first two years to be served as an active suspension followed by a 3 year probationary term. This suspension was based on respondent's conviction for two counts of theft by deception in connection with the submission of insurance claims relating to dental treatment.

Following review of the entire record developed in connection with respondent's application for reinstatement, including the memorandum submitted by respondent's counsel Robert G. Stevens, the Board finds that respondent has complied with all of the terms and conditions of the order of probation from the Superior Court of New Jersey and with the Board's Consent Order and has therefore determined to allow respondent to return to practice with the conditions set forth in this order. The Board finds that the restrictions placed on respondent's practice by this Order are adequate to protect the health and welfare of the public, and that good cause exists for entry of this Order :

THEREFORE, IT IS ON THIS 17th DAY OF NOVEMBER, 1999

ORDERED:

1. The license of Gilbert Glass, D.M.D. to practice dentistry in the State of New Jersey shall be reinstated effective on the entry date of the within Order.

2. Random and unannounced audits of respondent's patient records and billing records may be conducted by the Board's designees at the Board's discretion and at the expense of the respondent for a period of three years from the date of the entry of this order. On demand made, respondent shall immediately make available all records necessary to conduct the audit as determined by the Board or its designees. The cost of each such audit shall be based on the standard hourly rate for the Board's investigators prevailing at the time of the audit and shall be due and payable within thirty (30) days of the respondent's receipt of a statement of such costs from the Executive Director of the Board setting forth the hourly rate and the total hours of the audit.

3. Upon the Board's receipt of any information which the Board, in its sole discretion deems reliable demonstrating that respondent has failed to comply with the conditions of this Order, including but not limited to any report of patient or insurance company billing discrepancies, respondent's license to practice dentistry shall be temporarily suspended pending a hearing before

the Board or a committee of the Board, within ten days, which hearing shall be limited to the issue of the violation found.
